Dear Brother:

As I and the other Grand Lodge Officers and Deputies have traveled around our Great Jurisdictions, it has been our pleasure to present the brethren with a beautiful lapel pin to remind them of our theme for the year, "Believe in the Power of Your Dreams".

My Brother, great accomplishments do not just happen. They happen because someone sets a goal, then develops and executes a plan to achieve it. But it begins with a dream.

As Grand Masters have done in prior years, I am asking for your support to help our Masonic Youth Organizations provide our young men and women with the organizational skills, leadership experience, and moral foundation that is so essential for their success as adults. Every donation, no matter how large or small, will help our youth learn that if they believe in the power of their dreams, there is no limit to what they can accomplish.

If you are able to contribute \$100 or more, I will be honored to give you the quartz clock shown in the accompanying flyer. It will not only be a handsome addition to your desk, mantle, or wherever you display it, but will also be a constant reminder to you to Believe in the Power of Your Dreams.

Fraternally yours,

Michael L. Sanders
Grand Master
